1881.

LANCASTER, PA., February 1st, 1881.

In presenting this catalogue of coins we have endeavored to describe all the pieces as faithfully as possible. Should our judgement be in error in any respect, we hope our friends for *our sake* will promptly call our attention to the fact, so that we may be able to remedy any deficiencies in the future. To all who may favor us with their bids, we will endeavor to act honestly and fairly, and to do all in our power that will tend to give satisfaction to all and no cause for complaint.

To any who may be bidding for the first time, we would explain that bids by mail are in all respects equal to bids in the auction room. Each lot is awarded to the highest bidder, and if we are able to purchase any lot at less than the amount bid, we will do so, giving our friends the benefit of the lower prices without charging any commission.

Thanking all who have favored us in the past and soliciting a continuance in the future, we remain

Yours, Respectfully,

CHARLES STEIGERWALT.
